**Topic: MTM rollout plan – Tasmania**

**Senator Bilyk, Catryna asked:**

I have one follow-up question to my other questions. When will planning start for any areas in Tasmania that are not yet in the MTM rollout plan?

**Mr Morrow:** We can check within the list of those areas to where we intend to start construction over the next 18 months. If they are within that, that would be the answer, that it is basically over the next 18 months. If it is beyond that 18-month period, then we have not brought the planning together yet well enough to be able to give that answer.

**Senator Bilyk:** So you can take on notice and give me a list of the areas that are in there for the next 18 months?

**Mr Morrow:** Exactly, yes.
