Topic: Struggle Street Promo

Senator Dastyari, Sam asked:

Senator DASTYARI: I do not think we are in disagreement here that you can have something about Mount Druitt and it can be about more than Mount Druitt. Correct me if I am wrong, and you might want to take this on notice, but didn't the first few minutes state 'no jobs, no mentors in the Druitt'?

Ms Kellie: I would have to relook at the transcript to get a direct quote.

Senator DASTYARI: You can take that on notice.

Answer:

SBS has reviewed the transcript and the “promo” for the television show did not state in the “first few minutes” “no jobs, no mentors in the Druitt”.
