Topic: Northwest business park

Senator Urquhart, Anne asked:

1. Please confirm if the Norwest Business Park in Baulkham Hills NSW 2153 is ready for service?
2. When did it become ready for service?
3. What technology is the business park connected with?

Answer:

1. The Norwest Business Park comprises existing commercial premises in the Brownfields footprint, as well as premises in New Development areas.
 - (a) Brownfields: the business park spans across Service Area Modules (SAMs) 2KEL-06 and 2CAS-04; both of these SAMs have been declared ready for service (RFS)
 - i. Within these SAMs, there are 63 Multiple Dwelling Unit (MDU) sites, 5 of which have active nbn services
 - (b) New Developments: there is a signed agreement to deliver services. Construction has not commenced.
- 2-3. Brownfields:
 - (a) 2KEL-06: RFS on 02/06/2017, delivered with FTTN technology, excepting for MDUs, which will be delivered with FTTP technology
 - (b) 2CAS-04: RFS on 31/03/2017, delivered with FTTN technology, excepting for MDUs, which will be delivered with FTTP and FTTB technology
