Senator Urquhart asked:

Please provide the relevant numerical data in table format, for each FY, underlying the following graphs in the 2016 Corporate Plan:

(a) Exhibit 10: Progression of fixed line rollout by state

Please supply regardless of whether percentages are 'approximates'

Answer:

nbn updated this information in the 2017 Corporate Plan. This detail is provided in the response to QoN 235. It is also worth noting that nbn provides the exact rollout numbers publicly for each state and territory every week.

The response refers to data in the 2017 Corporate Plan, however this is not what QON237 requested.

Please provide the information from Exhibit 10 in the 2016 Corporate Plan as was requested.

Answer:

The volume of detailed questions on notice and the limited time available to respond mean that nbn must prioritise questions that are not answered in whole or in part in regular reporting vehicles such as weekly updates, the corporate plan, annual reports, quarterly financial reports or on our website.

Information regarding the rollout in each state is provided publicly on a weekly basis.
