**Question No: 95**

**Australia Post**

**Hansard Ref: Written, 07/06/2017**

**Topic: Salaries**

**Senator Urquhart, Anne asked:**

What percentage of Australia's Post's employees earn more than \$200,000 a year? \$100,000 a year?

**Answer:**

Australia Post has nearly 35,000 permanent and fixed term contract employees. The percentage of employees earning more than \$200,000 a year is approximately 0.9 per cent. The percentage of employees earning more than \$100,000 a year is 10.6 per cent.
