Hansard Ref: Page 62, 20 November 2014

Topic: Senate inquiry report recommendations on Australia Post and Licensed Post Office partners

Senator Urquhart asked:

Senator URQUHART: I might leave the questioning on those for the moment. I want to go on to some other issues. But, on those: I was going to put these to Senator Fifield, but he is not here now, so I am sure I can put them to Senator Fierravanti-Wells. There were a number of recommendations in the report—specifically two, four, five, six and 17 and recommendation 1 from the additional comments from the Labor senators. I would like an update on what steps have been taken towards implementing those.

Senator Fierravanti-Wells: I will take those on notice. I am not in a position to respond.

Answer:

The Government is currently considering its response to the Committee's final report and it will be presented to Parliament in due course.
