**Senator Waters asked:**

**Senator WATERS:** Did those two experts get access to the scientific monitoring data directly from the port or from the Queensland government?

**Mr Gaddes:** I would have to take that one on notice.

**Answer:**

Information requested by the independent experts was facilitated by the Panel's secretariat. Both the Queensland government and Gladstone Ports Corporation provided access to the Secretariat to the relevant data that was requested. All data provided to the secretariat was made available to the experts.
