Question No: 225
Hearing: Supplementary Budget Estimates
Outcome: Agency
Programme: Clean Energy Regulator
Topic: WAUBRA WIND FARM - ELECTRICITY GENERATION RETURNS
Hansard Page: N/A
Question Date: 28 October 2014
Question Type: Written

Senator Madigan asked:

Waubra Wind Farm's annual electricity generation returns were captured in a Freedom of Information request that I made of the Clean Energy Regulator. A lot of information in these documents is redacted. However, it is evident that in Section F of Waubra Wind Farm's 2011 electricity generation return that Diana Rothaker signed the declaration as an authorised representative. This information, however, was redacted from both the 2010 and 2012 annual electricity generation returns.

Is Diana Rothaker responsible for providing the CER with false and misleading information in the 2010 and 2012 returns or was it another authorised representative of Waubra Wind Farm?

Answer:

The Clean Energy Regulator is investigating Senator Madigan's allegations.
