Senator Urquhart asked:

Senator URQUHART: Has the minister or a representative requested advice or has it just been you passing on the report and any advice out of that?

Ms Harris: I may take that on notice. I do not recall any specific requests for any policy advice. We have been really advising him on the work that we have done.

Answer:

The Climate Change Authority has not received any requests for policy advice from the Minister or his representatives. The Authority has, however, briefed the Minister and his staff on all of its reports. These reports are available on the Authority's website.
