Senator Ludwig asked:

Since Budget Estimates in June, 2014, how many documents (include the amount of copies) have been printed?

- a. How many of these printed documents were also published online?
- b. Has the Department/Agency used external printing services for any print jobs?
 - i. If so, what companies were used?
 - ii. How were they selected?
 - iii. What was the total cost of this printing by item?

Answer:

Between Budget Estimates in June 2014 and 13 November 2014, the Department of the Environment and portfolio agencies have printed 70 documents (284,947 copies).

- a. The Department follows the Government's online content requirements and publishes all relevant documents online. A total of 51 documents have been published online.
- b. Yes.
- i. The Department uses a Multi User Panel managed by the Department of Human Services for the procurement of communications services including printing. Agencies that have procured printing services outside the panel are:

Director of National Parks
