Hansard Ref: Written, 22/10/2015

Topic: Corporate Plan 2016 – FTTN and FTTB totals

Senator Urquhart, Anne asked:

The Corporate Plan 2016 totals for FTTN and FTTB (and potentially FTTdp) have been consolidated. How many of the total 4.5 million FTTN premises are FTTB or FTTdp?

Answer:

Forecasts of this nature are included in the Corporate Plan 2016 Fibre-to-the-Node (FTTN) numbers. To disaggregate these would reveal **nbn**'s strategic business direction to potential infrastructure competitors, and are therefore commercial in confidence.
