**Topic: FTTN - AVC Profile**

**Senator Conroy, Stephen asked:**

**Senator CONROY:** 500 in the queue. On the FTTN premises activated so far, what is the AVC profile?

**Mr Morrow:** For FTTN?

**Senator CONROY:** Yes, for FTTN for the 50 customers.

**Mr Morrow:** We will have to come back to you on that. I was not provided with that, but we will come back to you.

**Answer:**

Our speed mix is reflecting what our Retail Service Providers are promoting and selling to the market, which is a high proportion of 25/5Mbps. For FTTN this represents 79% on 25/5.
