**Hansard Page:** 26  
**Question Date:** 13 November 2015  
**Question Type:** Spoken

**Senator Urquhart asked:**

**Senator URQUHART:** I understand, exactly, what you are saying. It is a bit like multinational food companies that may, in fact, have a manufacturing plant in Australia but they are not actually an Australian company. It is that sort of information.

**Ms Broadbent:** We will try to give you a map of some of those projects as well. We think of the ownership as Australian because the project might be in Australia. But it could have foreign participants.

**Answer:**

A map of all CEFC projects to 30 June 2015 is supplied at pages 16-17 of the Clean Energy Finance Corporation 2014-15 Annual Report. It is not possible to provide a breakdown in the manner suggested – please also see the answer to Question No. 189.
