**Topic: Office upgrades**

**Senator Bilyk, Catryna asked:**

Has the furniture, fixtures or fittings of Ziggy Switkowski's office been upgraded since he took office as Chairman of NBN Co Ltd? If so, can an itemised list of costs please be provided?

**Answer:**

Since Dr Switowski took office as Chairman of nbn, he was relocated from his predecessor's original office (36.72sqm) into a smaller existing adjacent office (26.59sqm) in February 2016. The furniture in the original office was transferred into the smaller office. The only additions were two open shelves and an MX300 telepresence unit – all totalling \$24,674. This office is utilised for meetings and other uses by employees when not being used by the Chairman.
