Senator Back, Chris asked:

What proportion of your professional time has been spent with wind farm developers, host landholders, industry representatives and state planning officials?

Answer:

Of the approximately 439 stakeholders that the Commissioner has met with, as at 30 September 2016, approximately 90 stakeholders were wind farm developers/operators, 42 were supportive residents, 14 were industry association representatives and 70 were from state or local government.
