Senator Rhiannon, Lee asked:

With regard to the \$1m grant Waverley Council received under the Department of the Environment's Protecting National Historic Sites program for the design phase of the Bondi Pavilion upgrade. Given that the Protecting National Historic Sites grant awarded to Waverley Council was the second highest amount provided, is the Department obliged to engage in more extensive monitoring and assessment of the Waverley Council grant or is the level of monitoring and assessment similar to what is undertaken for smaller grants?

The monitoring and reporting requirements are set out in the Department's response to question on notice numbers 9 and 21 from the Supplementary Budget Estimates 2016.
