Senator Rhiannon, Lee asked:

With regard to the \$1m grant Waverley Council received under the Department of the Environment's Protecting National Historic Sites program for the design phase of the Bondi Pavilion upgrade. Considering the rules of the Protecting National Historic Sites program require the project to cover 'design and conservation work on Bondi Pavilion' and to cover the historic heritage values of the site, what work has the Department taken to ensure that this is how the money has been used?

Answer:

The Department has reviewed and accepted a Project Plan, mid-year progress report, pre-end-of-financial-year project status notice, and an end-of-year progress report, submitted by Waverley Council, as evidence of acceptable progress of the Project and its activities, in accordance with the requirements of their Funding Agreement.
