

Automotive Transformation Scheme

ATS Third Quarter Business Plan Update form

Update deadlines

This form is for Automotive Transformation Scheme (ATS) participants who are currently registered under the ATS. ATS participants are required to lodge an *ATS Third Quarter Business Plan Update* form within 45 days after the end of the third quarter of the year in which they were registered and for each subsequent year of the ATS.

Please read *ATS Customer Guideline 5: Business Plans* before filling out this form. This document is available at the [AusIndustry website](#).

Completing and submitting the Business Plan update

All registered ATS participants must complete this form and provide:

- an updated Business Plan (to be provided as an attachment) that includes:
 - details of the strategies that will enable the participant to carry on sustainable operations in the Australian automotive industry for a five year period starting on 1 January of the year of registration;
 - operational plans, details of financial commitment and controls, financial projections and assumptions on which forecasts are based; and
 - details about how the applicant will meet the object of the *Automotive Transformation Scheme Act 2009*, particularly economic sustainability, in a way that will improve environmental outcomes and promote the development of workforce skills; and
- updated forecasts of sales, production, plant and equipment investment, and research and development investment for the next five years.

Please refer to *ATS Customer Guideline 5: Business Plans*, the *Automotive Transformation Scheme Act 2009*, the *Automotive Transformation Scheme Regulations 2010* and the *Automotive Transformation Scheme Order 2010* for more details.

When completing and submitting this form, please follow the instructions provided in *ATS Customer Guideline 5: Business Plans*.

All values and figures should be recorded in full, as whole numbers. Do not use decimal points.

Group ATS participants should note that only aggregate group information should be provided. Documents relating to sales, production and investment levels for each member of the group should, however, be retained for substantiation purposes.

COMMERCIAL-IN-CONFIDENCE

The *ATS Third Quarter Business Plan Update* form can be sent by email to ats@innovation.gov.au or by post to:

Automotive Section
AusIndustry
GPO Box 85
Melbourne VIC 3000.

A hard copy may also be left during business hours at any AusIndustry office (see *Appendix 1*).

Privacy and confidentiality

The confidentiality of information provided to AusIndustry, a division of the Department of Innovation, Industry, Science and Research (the Department), by ATS participants is protected by the relevant provisions and penalties of the *Automotive Transformation Scheme Act 2009*, the *Automotive Transformation Scheme Regulations 2010*, the *Public Service Act 1999*, the *Public Service Regulations 1999*, the *Privacy Act 1988*, the *Crimes Act 1914*, the *Criminal Code* and general law.

Subregulation 6.5(1) of the *Automotive Transformation Scheme Regulations 2010* allows the Minister to publish the following information about an ATS participant or a person who was an ATS participant:

- (a) that the person is, or was, an ATS participant and the period of the person's participation in the ATS;
- (b) the amount of assistance paid to the person in an ATS year.

Subregulation 6.5(2) of the *Automotive Transformation Scheme Regulations 2010* requires the Minister to publish a notice that the Minister has given a person named in the notice permission to:

- (a) apply for registration as an ATS participant; or
- (b) continue registration as an ATS participant

on the basis that the registration would be in the national interest.

Detailed confidential information contained in an *ATS Third Quarter Business Plan Update* form may be disclosed for audit purposes to contractors engaged by the Department and to other Commonwealth agencies for audit, reporting and law enforcement purposes. Further, the Department may release confidential information if it obtains the ATS participant's consent or is required or permitted by law to do so. This could happen, for example, if the Department is required to respond to a resolution of the Parliament, or the order of a court.

Part B - Business Plan

The object of the ATS is to encourage investment and innovation in the Australian automotive industry and to place the industry on an economically sustainable footing. The object is to be achieved in a way that improves environmental outcomes and promotes the development of workforce skills. As such, ATS participants are required to provide, **in an attachment to this form**, a Business Plan which supports the updated forecast sales, production and investment. ATS participants should ensure the Business Plan contains:

- details of the strategies that will enable the applicant to carry on sustainable operations in the Australian automotive industry for a five year period starting on 1 January of the year of ATS registration; and
- operational plans, details of financial commitment and controls, financial projections (see Parts D and E of this form) and assumptions on which forecasts are based; and
- details about how the ATS participant is meeting the object of the *Automotive Transformation Scheme Act 2009*, particularly economic sustainability, in a way that improves environmental outcomes and promotes the development of workforce skills.

B1 Supporting attachment – Business Plan

The Business Plan which sets out the above information, as required in subregulation 2.12(3) of the *ATS Regulations 2010*, may be provided as an attachment to the *ATS Third Quarter Business Plan Update* form. See *ATS Customer Guideline 5: Business Plans* for more details.

The Business Plan can be sent by email to ats@innovation.gov.au or by post to:
