Question: AET 1712-1714

Topic: Reviews within portfolio/agency

Written: 7 March 2014

Senator BUSHBY asked:

- 1712. What progress have you made to address the APSC Capability Review for your agency?
- 1713. Are there any other reviews of your organisation currently being implemented or settled down post-implementation? What has been the benefit of or impact of those exercises?
- 1714. Have there been any reviews in your portfolio area in the past six years that have since gone inactioned in part or in full?

Answer:

- 1712. A Capability Review Action Plan was agreed with the APSC in November 2013. Governance arrangements for overseeing the actions have been established and a Health-check Review is scheduled for November 2014. Work has commenced across all of the focus areas and changes will continue to be embedded throughout 2014.
- 1713. The *Strategic Review of the Treasury* and *Women in Treasury* reviews were undertaken in 2011 and all recommendations have been implemented. The Capability Review Action Plan builds on outcomes achieved from earlier organisational reviews. A follow-up audit of the *Progressing Women* initiative will be undertaken in July-August 2014.
- 1714. No reviews in Treasury in the past six years have gone inactioned.
