Senator LUDWIG asked:

Is electronic equipment (such as ipad, laptop, wireless card, vasco token, blackberry, mobile phone (list type if relevant), thumb drive) provided to department/agency staff? If yes provide a list of what is provided across the department of agency, the purchase cost, the ongoing cost and a breakdown of what staff and staff classification receives each item.

Answer:

Please refer to Australian Taxation Office response AET 945.

In addition to the assets listed by the Australian Taxation Office in their response, the ACNC has purchased one item:

- Apple iPad Mini
- Purchase price \$586
- There is no ongoing cost for this item
- The ACNC Commissioner received this item
