**Topic: Computers (CALDB)**

**Written: 5 March 2014**

**Senator LUDWIG asked:**

- 3330. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location
- 3331. Please detail the operating systems used by the departments computers, the contractual arrangements for operating software and the on-going costs

**Answer:**

- 3330. We have two computers other than the laptop mentioned at question AET 3329. Such equipment is provided by ASIC and would be included in their lists.
- 3331. We use ASIC's operating systems so this detail is as provided by ASIC. There is no separate cost so this would be included in the total cost provided by ASIC.
