Dear Dr Dermody

I am writing to you to provide an explanation that relates to tabled responses to Questions on Notice AI-13 and AI-18.

The original responses had text included at the bottom of the page that should have been removed by the department before tabling. This was an administrative oversight by the department and the explanation for this background material being included on the answer was to provide context to the response.

It would be appreciated if you could provide this explanation to the Committee. The department acknowledges the oversight and appreciates the Committee's understanding.

Yours sincerely

Vanessa Graham  
Chief Operating Officer
