Additional Estimates

2015 - 2016

Department/Agency: APRA
Question: AET 836-838
Topic: Hire Cars
Reference: Written - 19 February 2016
Senator: Ludwig, Joe

Question:

Since the change of Prime Minister on 14 September, 2015:

836. How much did each department/agency spend on hire cars during the specified period? Provide a breakdown of each business group in each department/agency.

837. What are the reasons for hire car costs?

838. How much did the department spend on hire cars during the specified period for their minister or minister's office?

Answer:

836. The Australian Prudential Regulation Authority (APRA) records hire car costs as part of Domestic Local Transport costs, which is made up of costs associated with short term hire cars, taxis, trains, buses, trams, tolls, parking, and use of private vehicles within Australia. The cost of Domestic Local Transport for the period 14 September 2015 to 10 February 2016 was \$95,146.59.

Provision of a detailed breakdown would not be an efficient and effective use of resources.

837. APRA staff are expected to attend business and other meetings as part of performing their responsibilities. These are working expenses.

838. APRA does not pay for hire cars used by the Minister or the Minister's office.
