

Economics Legislation Committee
ANSWERS TO QUESTIONS ON NOTICE
Industry, Innovation and Science Portfolio
2016 - 2017 Additional Estimates
2 March 2017

DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION AND SCIENCE

TOPIC: Facilities upgrades

REFERENCE: Written Question – Senator Bilyk

QUESTION No.: AI-102

Have the facilities of any of the Department's premises been upgraded since 1 October 2016, for example, staff room refurbishments, kitchen refurbishments, bathroom refurbishments, the purchase of any new fridges, coffee machines, or other kitchen equipment?

If so, can a detailed description of the relevant facilities upgrade please be provided together with an itemised list of costs (GST inclusive)? Can any photographs of the upgraded facilities please be provided?

ANSWER

Facilities upgrades at departmental premises since 1 October 2016 include:

- Vinyl flooring at a cost of \$19,800.00 (GST inclusive)
- Chairs, tables and stools at a cost of \$78,220.80 (GST inclusive)
- Replacement equipment at a cost of \$17,007.55 (GST inclusive)

This response does not include photographs as this would represent an unreasonable diversion of resources.
