2-3 June 2014

AGENCY/DEPARTMENT: Anti-Dumping Commission

TOPIC: Paper Dumping Complaints

REFERENCE: Question on Notice (Hansard, 2 June 2014, page 37)

QUESTION No.: BI-14

Senator GALLACHER: Has there been a complaint or application about paper sourced from Germany and Austria—

Mr Seymour: Not to my knowledge

Senator GALLACHER: alleging that it is previously sourced from Russian forests without any environmental controls?

Mr Seymour: I can check the records around previous matters and get back to you, if you like.

ANSWER

There have been no applications for publication of dumping and/or countervailing duty notices relating to paper products from Germany or Austria in the past ten years.

Anti-dumping measures were in place against importations from Nordland Papier AG of Germany for A4 copy paper from 1993 until expiring in 2004.
