Budget Estimates Hearing 2014-15
2-3 June 2014

AGENCY/DEPARTMENT: Australian Workforce & Productivity Agency

TOPIC: AWPB Studies being Conducted

REFERENCE: Question on Notice (Hansard, 2 June 2014, page 100)

QUESTION No.: BI-45

Senator GALLACHER: I have no problem with anything you have said, but no-one has actually answered the question. How many of those staff are still working on the types of studies AWPB used to carry out in assessing current, future and emerging skills and workforce development needs and liaison with industry?

Mr Shreeve: Without going through in one line all the staff we have got at the moment—I can take that on notice—I anticipate it will be between 30 and 35. I will confirm that on notice.

ANSWER

The Department can confirm that the number of staff is 30.
