Treasury Portfolio
Budget Estimates 2014
3 June to 5 June 2014

Department/ Agency: ASIC

Question: BET 1903-1904

Topic: Unallocated Equipment

Reference: Written – 12 June 2014

Senator: Ludwig

Question:

- 1903. Please detail how much electrical equipment, phones and computers the department/agency has in storage or unallocated to staff
- 1904. Please detail the purchase, storage and ongoing costs associated with equipment, phones and computers in storage or unallocated

Answer:

- 1903. ASIC generally does not retain equipment that is not allocated to staff; equipment is either being re-used or disposed of. For example, as part of the desktop upgrade undertaken in recent months, ASIC has donated old equipment to the Computer Technologies for Schools Project (CTFSP).
- 1904. As ASIC does not retain unallocated equipment, these costs would be negligible.
