Question:

2054. Please provide a detailed list of all contracts entered into worth between \$4,000 and \$10,000 since September 7th, 2013.

Answer:

2054. The ATO's contract reporting capability is aligned to the Commonwealth Procurement Rules which mandate reporting of contracts arranged at or above \$10,000.

The ATO does not currently have a centralised reporting capability for contracts of less than \$10,000. A further breakdown of this information would be an unreasonable diversion of departmental resources.
