

**Economics Legislation Committee**  
**ANSWERS TO QUESTIONS ON NOTICE**  
Industry and Science Portfolio  
Budget Estimates Hearing 2015-16  
3 and 4 June 2015

---

**AGENCY/DEPARTMENT:** Commonwealth Scientific and Industrial Research Organisation (CSIRO)

**TOPIC:** Phase 2 – Fugitive Emissions Report

**REFERENCE:** Question on Notice (Hansard, 3 June 2015, page 95)

**QUESTION No.:** BI-12

**Senator WATERS:** Not yet? Okay. We will come back to that one next time. Just quickly on the funding between those two phases: I do not have a figure here for how much you spent on phase 1; how much have you got for phase 2?

**Prof. Barrett:** Funding for phase 1 was \$190,000, and I will need to take it on notice for phase 2. I think it is about the same quantum of funding.

**ANSWER**

CSIRO wishes to correct Hansard in respect of the answer provided by Professor Barrett. The funding provided by the Department of Environment for the ‘methane fugitive emissions’ project for phase 1 is \$130,000 and for phase 2 is \$190,000. CSIRO apologises for any inconvenience this incorrect information may have caused.
