

Senator Sean Edwards  
Chair  
Senate Economics Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator Edwards

On reviewing the Proof Hansard of the testimony that the department provided to the Senate Estimates hearing of 4 June 2015, I have determined that some information provided to the Committee would benefit from clarification.

During discussions with Senator Carr regarding the number of submissions received by the Department in relation to the review of the *Disability (Access to Premises–Buildings) Standards 2010*, the following exchange occurred with Dr Anne Byrne (page 62 of Hansard):

Senator KIM CARR: Can you give me an update on the status of that review?

Dr Byrne: This is a legislated review... At this stage we have already received approximately 300 submissions.

It has come to light that the number of submissions received should be amended to 200.

Should there be any concerns in relation to the evidence that was provided by the Department to the Committee please do not hesitate to let me know so that I may follow up the issues.

I apologise for any inconvenience caused by this error and ask that you alert other members of the Committee to this correction.

Yours sincerely,

Vanessa Graham  
Chief Operating Officer
