

**Economics Legislation Committee**  
ANSWERS TO QUESTIONS ON NOTICE  
Industry Portfolio  
Supplementary Budget Estimates 2014-15  
23 September 2014

---

**AGENCY/DEPARTMENT:** DEPARTMENT OF INDUSTRY

**TOPIC:** Australian Innovation System

**REFERENCE:** Written Question – Senator Carr

**QUESTION No.:** SI-100

Is the Department currently working on the next edition of the annual Australian Innovation System report please? If so, what area of the Department is responsible for developing the report and when can we expect the report to be published?

**ANSWER**

The Department is currently working on the next edition of the annual Australian Innovation System report.

The Innovation Research section of the Analytical Services Branch within the Economic and Analytical Services Division is responsible for developing the report.

The report is expected to be released in December 2014.
