**REFERENCE:** Question on Notice (Hansard, 23 October 2014, page 30)

**QUESTION No.:** SI-14

**Senator WATERS:** I understand from a throw-away comment that the minister made the other day that there is a phase 2 of that fugitive emission study. Can I ask: what is the scope of that phase 2 and what time frame is it operating under?

**Dr Clark:** I will take that on notice in terms of how far that has progressed in terms of determining the scope as well as the time frame, to provide you with at least an update on how that has progressed.

**Senator WATERS:** You are not able to assist me at the minute with indicative time frame or are you not too sure?

**Dr Clark:** No. I will take that on notice.

**ANSWER**
