Supplementary Budget Estimates

2014 - 2015

Department/Agency: APRA

Question: SBT1498-1499

Topic: Taxi costs

Reference: written - 30 October 2014

Senator: Ludwig, Joe

Question:

Since Budget Estimates in June, 2014*:

1498. How much did each department/agency spend on taxis during the specified period?

- a) Provide a breakdown for each business group in each department/agency.
- b) What are the reasons for taxi costs?

1499. How much did the department spend on taxis during the specified period for their minister or minister's office?

* *period 2 June to 30 October 2014.*

Answer:

1498. The Australian Prudential Regulation Authority (APRA) records taxi costs as part of Domestic Local Transport costs, which is made up of costs associated with short term hire cars, taxis, trains, buses, trams, tolls, parking, and use of private vehicles within Australia. The cost of Domestic Local Transport for the period 2 June to 30 October 2014 was \$75,281.22.

- a) Provision of a detailed breakdown would not be an efficient and effective use of resources.
- b) APRA staff are expected to attend business and other meetings as part of performing their responsibilities. These are working expenses.

1499. APRA does not pay for taxis used by the Minister or the Minister's office.
