In relation to Australia's anti-dumping system what's the status on the proposal to implement fees for review, which was proposed in the Customs Amendment Bill under the previous Minister? It is still government policy and if so, what is the status of the legislative instrument proposed to implement this measure?

ANSWER

The legislative instrument to implement fees for the review of anti-dumping decisions by the Anti-Dumping Review Panel was registered on 2 November 2015. It can be viewed on the Comlaw website here: <https://www.comlaw.gov.au/Details/F2015L01735>.
