Supplementary Budget Estimates

2015 - 2016

Department/Agency: CGC

Question: SBT 2028-2030

Topic: Computers

Reference: written - 04 November 2015

Senator: Wong, Penny

Question:

2028. List the current inventory of computers owned, leased, stored, or able to be accessed by the Ministers office as provided by the department, listing the equipment cost and location and employment classification of the staff member that is allocated the equipment, or if the equipment is currently not being used
2029. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location
2030. Please detail the operating systems used by the departments computers, the contractual arrangements for operating software and the on-going costs

Answer:

2028. None.

2029. All computer equipment, which is owned, is located at the Commission offices in Braddon, ACT.

The cost of the equipment (when purchased) was:

ASSET	DESCRIPTION	COST	DATE

2030.

The majority of desktop PCs use Windows 7 Professional. Ongoing costs Nil (the license for the operating system was included with the initial purchase of the PCs). The last purchase of PCs (37 x Veriton) were purchased through the WoG Desktop Panel. For the remainder no contractual arrangements apply.

Five desktop PCs use the Linux operating system (Ubuntu distribution). Ongoing costs Nil (open source software). There are no contractual arrangements.
