Australian Small Business and Family Enterprise Ombudsman Act 2015

Former section 376-110

Section 95

Tax concession - films

Review of assistance function

Schedule 1 amends the Income Tax Assessment Act 1997 as it relates to film tax offsets. It inserts a number of provisions including a new section 376-110 which provides for a review of the operation of Division 376 to be conducted and completed before 4 September 2006. The review report must be tabled within 15 sitting days of receipt.

Note this provision no longer appears in the current compilation of the principal Act, so it has presumably been repealed since.

The Minister must cause a review of the Ombudsman's assistance function to be conducted at intervals. The first review must be completed, and a written report given to the Minister, by a date determined by the Minister that is not later than 30 June 2017.

RG / SBTD

This amending Act looks to have commenced in full but has not yet been repealed, so it is still listed on ComLaw as current.
