Question: SBT 2570

Topic: Campaigns

Reference: Hansard page no. 35 - 21 October 2015

Senator: Dastyari, Sam

Question:

Senator DASTYARI: Governments can decide to do more campaigns or other campaigns, there are guidelines and processes that they have to go through. As far as you are concerned, this is the totality of the campaign?

Mr Lonsdale: If you are asking me to be categorical, are there more dollars that slipped into the financial year related to phase 2, I cannot be. I would have to go and check that. If you are asking me is there is an extension of phase 2, I am not aware of one.

Answer:

There has been no government decision taken for further campaign work related to the IGR.
