Treasury Portfolio

Supplementary Budget Estimates

2015 - 2016

Department/Agency: Treasury

Question: SBT 291-293

Topic: - Computers

Reference: written - 30 October 2015

Senator: Wong, Penny

Question:

Computers

291. List the current inventory of computers owned, leased, stored, or able to be accessed by the Ministers office as provided by the department, listing the equipment cost and location and employment classification of the staff member that is allocated the equipment, or if the equipment is currently not being used
292. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location
293. Please detail the operating systems used by the departments computers, the contractual arrangements for operating software and the on-going costs

Answer:

291. The department provides computers to Ministerial Office staff as part of the standard service offering.

292. To attempt to provide this level of detail would involve an unreasonable diversion of departmental resources.

293. The department's computers use the Windows 7 Operating environment. The operating software is covered under the whole of government Microsoft licensing arrangement. Under this arrangement, Treasury pays \$178,243 per annum for Core Desktop Licenses for Treasury, Treasury Ministers and some of the Portfolio Agencies.
