***Self-accreditation***

**Question**

Senator KIM CARR: Do you have any other applications before you for self-accreditation?  
Prof. Saunders: Yes, we do. We have three being actively considered at the moment. That assessment is almost finished. And we are expecting a number of other providers to apply for self-accrediting status during this year.

Senator KIM CARR: What are the names of the three?

Prof. Saunders: I will have to take that on notice, I am sorry.

**Answer**

*The Tertiary Education Quality and Standards Agency has provided the following response.*

The three applications for self-accrediting authority are currently under consideration. For this reason, it would not be appropriate to name the applicants.
