

## Senate Standing Committee on Education and Employment

### QUESTIONS ON NOTICE Additional Estimates 2014 - 2015

#### Outcome 1 - Employment

Department of Employment Question No. EMSQ15-000068

Senator Cameron asked on 10 April 2015 on proof Hansard page 27

#### Question

##### Analysis of business shares

Senator CAMERON: Each employment provider is given a business share.

Ms Leon: That is right.

Senator CAMERON: In terms of the percentage of the contracts, that does not reflect how much they will have of the total program, does it?

Mr Hehir: That is correct. The proportion of contracts they have will not necessarily reflect their business share.

Senator CAMERON: Do you have any analysis of the business share for each of the successful tenderers? Is that available?

Ms Leon: I think we have that; yes.

Senator CAMERON: You could provide that on notice?

Ms Leon: Yes.

#### Answer

The jobactive Employment Provider organisational National Business Share percentages are as follows:

Tender ID	Legal name	National Business Share
