Additional Estimates 2015 - 2016**

Outcome: Higher Education Research and International

Department of Education and Training Question No. SQ16-000003

Senator Simms, Robert provided in writing

University staff/ student ratio

Question

Has the department investigated what impact the increasing workload on staff will have on fatigue and staff turnover? (asked last time)

Answer

No. Staffing conditions are a matter for universities. The department's staff data collection does not include staff fatigue or turnover.
