**QUESTION ON NOTICE  
Additional Estimates 2015 - 2016**

**Outcome: Cross Portfolio - Corporate**

**Department of Education and Training Question No. SQ16-000009**

Senator Lines, Sue asked on 10 February 2016, Proof Hansard page 11

***Business Cards***

**Question**

Senator LINES: Also in that same question, Mr Cook, we were advised that new business cards will be required for staff returning to the department. Have those business cards been ordered and printed?

Mr Cook: Depending on individual staff, I would imagine as to whether they had actually initiated that themselves. It happens at a branch level, so I am sorry I cannot answer that for you properly.

Senator LINES: Can you tell us how many staff required new business cards?

Mr Cook: We can take that on notice.

Senator LINES: Isn't that all of your early childhood department staff?

Mr Cook: Not every staff member would have a business card, no.

Senator LINES: Okay, so you will take that on notice. I am after the total cost of that.

Mr Cook: Sure.

**Answer**

Between 20 September 2015 and 10 February 2016, business cards were produced for 14 people employed by the Department of Education and Training in the Early Childhood and Child Care cluster. A total of 4250 cards were produced at a cost of \$621.05 (GST inclusive).
