CN3306317 and CN3306321

Question

Senator LINES: And who was awarded that contract?

Ms Monkley: I am just recalling that one back.

Senator LINES: Also in relation to that contract, what specifically was moved, and from where?

Ms Monkley: I am just confirming who it was awarded to. In terms of what specifically was moved, I can give you a general answer at this point. I would need to take it on notice to give you more detail.

Senator LINES: Sure. You can take the whole thing on notice rather than a general one. I just want to know where it was moved from.

Mr Cook: Moved from? It would have been Woden.

Ms Monkley: That was from Woden, but we can give you the details of the exact building.

Senator LINES: Sure. In relation to the reconfiguration, which office space did this relate to, and what work was involved? That is 3306321.

Ms Monkley: I would need to take that on notice.
