Outcome: Higher Education Research and International

Department of Education and Training Question No. SQ16-000503

Senator Carr, Kim provided in writing.

Changes to university Acts in WA

Question

Is the department aware of the WA Government's plans to amend legislation establishment universities in that State? To your knowledge, what do the planned amendments go to?

Answer

The department is aware of media reports from November 2015. Questions about the Western Australian Government's plans should be addressed to the Western Australian Government.
