Department of Education and Training Question No. SQ16-000597

Senator Carr, Kim provided in writing

ASQA: Access Group Training - non-compliance issues

Question

Has the Department contacted the 2,524 students to inform them that their training college had non-compliance issues during the time that they were studying?

Answer

The Australian Skills Quality Authority (ASQA) has provided the following response.

ASQA has not made direct contact the 2524 students enrolled at the time of the audit of Access Group Training.
