

## Senate Standing Committee on Education and Employment

### QUESTIONS ON NOTICE Additional Estimates 2015 - 2016

#### Outcome 1 - Employment

Department of Employment Question No. EMSQ16-000054

Senator Reynolds asked on 11 February 2016 on proof Hansard page 37

#### Question

##### Transition to Work Providers in Victoria

Senator REYNOLDS: That would be terrific. Thank you very much. It would be remiss of me, given that the chair has had to go out to other pressing matters, not to ask about Victoria. I think there is at least one in Victoria, so could you please take on notice to provide Senator McKenzie with information on programs in Victoria.

Ms Drayton: Certainly.

#### Answer

Transition to Work providers will provide intensive, pre-employment support to improve the work readiness of young people to help them into work (including apprenticeships or traineeships), or education.
