Question

Statistics on NEIS business categories

Senator REYNOLDS: Have you got any statistics or any figures on the types of businesses that people are entering into?

Ms Drayton: I do not have that with me. It is very varied. They are things like—we often talk about the bike repair shop. I can provide on notice a list of some businesses.

Senator REYNOLDS: Nothing to go to a lot of staff effort, but if you have them readily available I would just like the categories—whether they are new online businesses or bike shops.

Ms Drayton: I do not have that, but we will see what we can provide for you.
