**Department of Education and Training Question No. SQ17-000059**

Senator Collins, Jacinta asked on 01 March 2017, Proof Hansard page 99.

***Source of data for cameos***

**Question**

Senator JACINTA COLLINS: We will probably get to more of the detail of that after dinner as well. Just whilst we are on the second last and the dot point above that, the matters that we were talking about with ACARA earlier, if I recall correctly ACARA said that they had not informed your cameos that went to the ministerial council. If that material had not come from ACARA where had it come from?

Senator Birmingham: I suspect I will have to take on notice as to the exact development of them. I am pretty sure that input in relation to the sums and figures and so on attached to them was sought from the department.

**Answer**

The examples used to highlight differences between jurisdictions were sourced from the Department of Education and Training's school funding model.
