Department of Education and Training Question No. SQ17-000240

Senator Griff, Stirling provided in writing.

MAAP website still live after cessation of funding

Question

Given that funding for MAAP has now ceased, why is the MAAP website still live?

Answer

The Mentoring Australia's Apprentices Project (MAAP) website is not hosted by the department but rather by VETnetwork Australia.

The host has chosen to maintain the website and a reduced level of support beyond the project end date, including maintaining data collection and duty of care related services.
