Department of Education and Training Question No. SQ17-000433

Senator Collins, Jacinta provided in writing.

Recommendation of price per adjustment

Question

Was the price per adjustment recommended in research undertaken by PricewaterhouseCoopers?

Answer

The research that helped inform the per student amounts for the calculation of the additional funding for students with disability measure has not been publicly released and remains an Education Council-in-confidence document. Questions relating to this research are therefore matters for Education Council.
